

PURPOSE

A grant of \$500 will be awarded to a county Farm Bureau, 4-H club, FFA chapter or classroom teacher for educational programs for pre-K through 12th grade or adults, which will increase agricultural literacy. There will be two cycles of grants awarded each year, one in March and one in September. There will be five grants awarded each cycle.

DEADLINE

Completed applications for the September cycle must be submitted by **September 1** by email or mail to Holly Carroll.

Oklahoma Farm Bureau Foundation for Agriculture Mini Grant Program

Eligibility

Mini-grants are offered on a competitive basis with priority given to those who demonstrate a need for financial support. Prior recipients must wait 3 years before re-applying for funds.

Application Guidelines

- Applications must be postmarked by September 1. Projects for cycle 1 must be completed by December 31.
- Recipients will be notified of approval by September 30. Grant recipients will be required to provide a written report of their project within 60 days of completion.
- Funding is not available for field trips, landscaping projects or one-time consumable products.
- Grant payments can only be made to an organization, school, chapter, club etc. Payments cannot be made to individuals.

Selection Criteria

- The project creatively engages the audience in a way to encourage them to want to learn more about agriculture.
- The project clearly demonstrates a connection between education and the agriculture industry.
- The proposal reflects an organized plan for procedures and timelines for accomplishing the project goals.
- The project budget clearly defines the budget items and is cost effective in terms of the project parameters.
- The proposal explains how this project would expand the current agriculture education effort whether under reached audiences or new subjects.
